

# KENDRIYA VIDYALAYA, No. 1, AFS, SAMBRA, BELGAUM

## Annual Report

### NEW BUILDING

A long cherished dream is going to be materialized of having a beautiful full-fledged own school building of KV No. 1 Sambra after 33 long years. I would like to state that the keen interest and continues perusal of our beloved chairman to expedise the work of construction agency in time notwithstanding the fact that the date of completion was deferred more than five times.

Now we can proudly proclaim to step into our Eden before reopening day. Heartfelt thanks to all the supporting efforts in this direction.

### ACEDMICS

Albert Einstein had said, "All our dreams can come true, if we have the courage to pursue them". We can, if we think, we can. Free spirits and happy individuals make better leaders, better humans, better workers, better sons and daughters, better parents and better citizens.

Honorable EO, KVS, Bangalore Region Mrs. Nirmala Mohanan was very much impressed by the good manners and discipline of our children and complimented by saying that KV No. 1 Belgaum Children do not have any parallel in whole of the Bangalore Region.

Despite paucity of regular teachers in some department, constraints of lack of proper infrastructure our Vidyalaya has shown remarkable excellence in 10<sup>th</sup> and 12<sup>th</sup> board result by gaining qualitative as well as quantitative results. We have secured 100% result in 10<sup>th</sup> and 98.25% in class 12<sup>th</sup>.

12<sup>th</sup> Science Topper

- Komal Mehta secured 90.6%

12<sup>th</sup> Humanities

- Sandhya Rewaria secured 80.8%

10<sup>th</sup> Topper

- Sonali Ahuja secured 95.4%

We are proud to announce that three of our students have been awarded in 10<sup>th</sup> standard and two in 12<sup>th</sup> standards CBSE merit certificates in Hindi. In internal Exams also, we have produce excellent results which is an indicative of efficient faculty and able guidance.

In this age of computer our children have caught the pulse of time. Computer Department has three labs- two meant for secondary and one for primary. All computers equipped with broad band connection and LAN including the knowledge of cloud computing. Recently 6 more computers have been added to maintain the ration of 1 computer for 20 students as per KVS guidelines. School website [www.kvsambra.org](http://www.kvsambra.org) is updated regularly.

We proud to declare that our KV is second in Bangalore region that has all three streams that is Science, Commerce and Humanities, as first is KV ASC which is the biggest and the oldest KV in Bangalore region. Focusing on the great demand and parental pressure to have additional section for all the classes, Consistant efforts have been made by VMC in this direction.

NAGAR RAJBHASHA SAMITI, BELGAUM in their annual function gave certificate of appreciation to our vidyalaya for their excellent performance in the field of Hindi Language.

## **SPORTS**

“If you want enemies, excel others if friends let others excel you”

Our Vidyalaya was the venue for the cluster level Volley ball and chess for boys & girls 12 KV's participated and selected ones were sent to regionals at Bangalore.

Our school doesn't have dearth in sportsmanship 46 boys and 14 girls participated at regional level in different disciplines they bagged Gold , Silver and Bronze medals and brought laurels to our Vidyalaya.

In Kho-Kho and Taenkwondo we have secured Gold medals at the Nationals.

Among boys Prasanna of X-A , Basavaraj of XI-C , got Gold medals in Kho-Kho. Deepak of X-A , Gaurav singh of X-A , Gaurav Bakshi of X-A & Bindu of IX-A were participated in Taenkwondo at national Level.

Nandini of X-A , Arzoo of IX-B & Richa of IX-B were awarded Bronze medals in Kabbadi at National level.

In Kayaking Gopika Nair of IX-B secured Silver medal at National level.

Routine medical check up was done fore the whole school by a team of Doctors & nurses from Air force medical care & District Civil Hospital.

## **CCA**

Meticulous planning with sound foundation of value based education to instill iron will strong determination and confidence was there in all the CCA activities . The whole school was divided in to four houses named by the great rivers viz., Ganga , Brahamputra , Kaveri and Narmada .

Maximum participation was ensured in the inheritance competitions. In the field of drawing & painting competitions held by AFMT section and KLE society our children participated and won prizes. Even in Quiz competition we were winners . Slogan writing competition conduted by Think Quest 3 of our children secured cash awards. The children received training in Music , Dance , Karate , Craft and Spoken English by special coaches under Vocational Guidance.

The school continued UN aided NAEP programme aimed at creating awareness about the challenges faced by the adolescents. This is the most turbulent emotional period so they were equipped with adaptive life skills to meet them.

The programme was implemented during CCA period for the target group of IX & XI class students. Many competitions as poster & slogan making , skit , essay writing was conducted and prizes were given . Guest lectures were organized to create awareness about HIV AIDS on AIDS Day . Counselling & guidance programme was organized by AFE supplemental by the school cell have helped children to solve many problems.

Fire week celebration was informative and educative. Our

Special thanks to Chief Admin Officer Wg. Cdr. Jayasimha.

## **INNOVATIONS**

Creative and critical thinking are two important life skills that fetch success in any field. In our school also we have undertaken certain programmes to sharpen these.

We have instant quiz (Thatkalik prashnothary) after every assembly programme to attract the attention of the children and educate them. This innovation was to overcome the fact that assembly is performed just as a ritual. We believe that education is discernible on much maiden and kuksh. Summing of all the important fact in the form of questionnaire to ignite the brains of our students.

In 11<sup>th</sup> and 12<sup>th</sup> project based learning method is adopted in English lessons were children's contribution has lion's share. A revelation of self-learning associated with computer aided learning. Planting of medicinal and decorative plants in groups and taking care of them in connection with the unit "Ailing planet and global warming". As per Dr. APJ Kalam's statement small action lead to great intention. Students of 12<sup>th</sup> have under taken a project of helping sos villages, orphanage and slum school to prove their responsibility to destitute and under privileged children and make the hands of the nation stronger by providing healthy progeny.

In sharpening spoken English skill and effective communication TATASKY has been installed for useful education programmes. Children are supposed to view them in Para academic periods.

## **CMP PROGRAMME**

In primary as per NCF 2005 guidelines reforms in education practices is under knowing the need of the hour. Developing support system in form of digital photo copier, LCD projector, TV, DVD are continuously used. At regular intervals film shows are shown. TATASKY is used elaborately for educational programme. Guest lecture by Dr. Anteen was organized on 03.08.2009 to create awareness on 'SWINE FLU'. At KV Dharwad our budding sportsman secured many prizes at "MINI SPORT". From 12<sup>th</sup> Nov. to 14<sup>th</sup> Nov. "BALMELA" was organized at the cluster level in the most befitting manner. KV No. 2, KV No. 3 and KV Bagalkot also participated in this. Grandparents' day was

celebrated to mark the importance of senior citizens to in establishing strong bondage to keep the family intact. Classroom libraries activated to inculcate regular reading habit and love for books.

### **EXCURSIONS & TRIP**

To breathe freely on the laps of nature primary trip was organized to Bhutramati deep park and Panth Balekundri. Where as to break the monotony and boredom of the routine work, 55 students of class 10<sup>th</sup> & 12<sup>th</sup> went for two days excursion to the historical city of Mysore.

### **SCOUTS AND GUIDES**

Scouting and Guiding is an integral part of KVS activities. In our Vidyalaya this world famous movement is in full swing under the stewardship of Mr. S P Kittur, (Himalaya wood batch holder). We have dedicated team of trained Scout Masters, Guide captains, cub masters and folk leaders, who are handling very efficiently all the activities. Nine scout and guides have qualified thritya sopan exam.

### **MATHS OLYMPIAD**

38 students were trained for “12<sup>th</sup> Junior Maths Olympiad” held at KV No. 1 Hubli. We feel elated to announce that Kumari Meenakshi of 10<sup>th</sup> A, has secured KVS Merit certificate (her all India rank is 40 and Bangalore region rank is 35). It is an incredible achievement.

### **SOCIAL SCIENCE AND SCIENCE EXHIBITION**

On 12.09.2009 School level Science Exhibition was held, 7 projects out of 20 were selected for regional level Exhibition held at KV Hebbal Bangalore. Whole school visited dental dept. of J. N. Medical College for “Tooth Care” exhibition. Even Children enjoyed the Contents of Red Ribbon Express.

Our Vidyalaya participated in many activities in Social Science Exhibition at cluster level like group song and Jugalbandi. Many projects were selected for regionals held at Bangalore.

As an ESP (Education Service Provider) of national importance, KV, Sambra would continue to churn out ‘Global Citizens’ who would think globally and act locally and would be an excellent leaders in every walk of life as well as dynamic change agents for the blooming of an ‘egalitarian’ & ‘inclusive society’. Thus the Vidyalaya is poised to scale dizzy heights in the realm of both academic and Para-academic domains. Yes, at KV Sambra, it has been our mission to impart ‘man-making’ education, to quote Swami Vivekanand: not just marks scoring ‘education, as is being dished out by many a mushrooming educational institution, nay, teaching shop’ Kudos to brand KV education’ that has already attained the status of “Numara Uno” among the comity of educational institutions.
